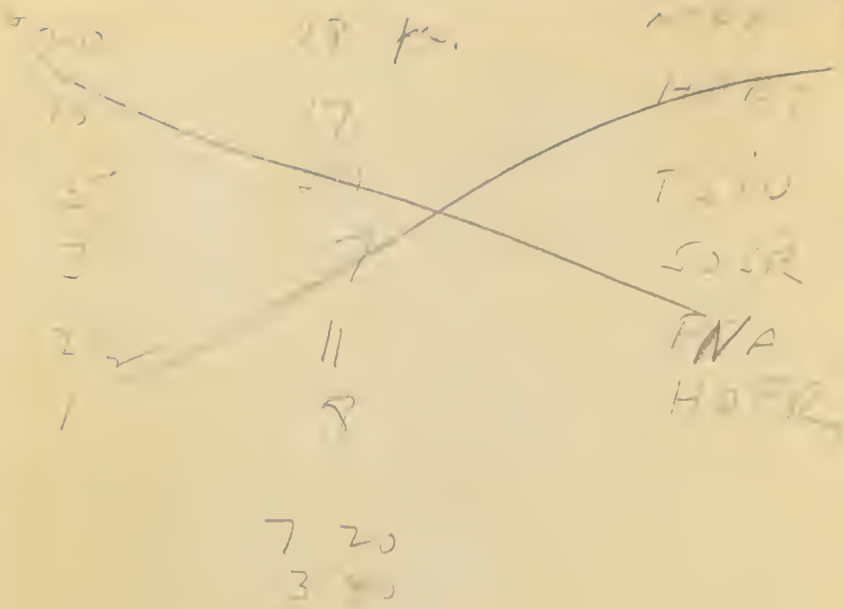
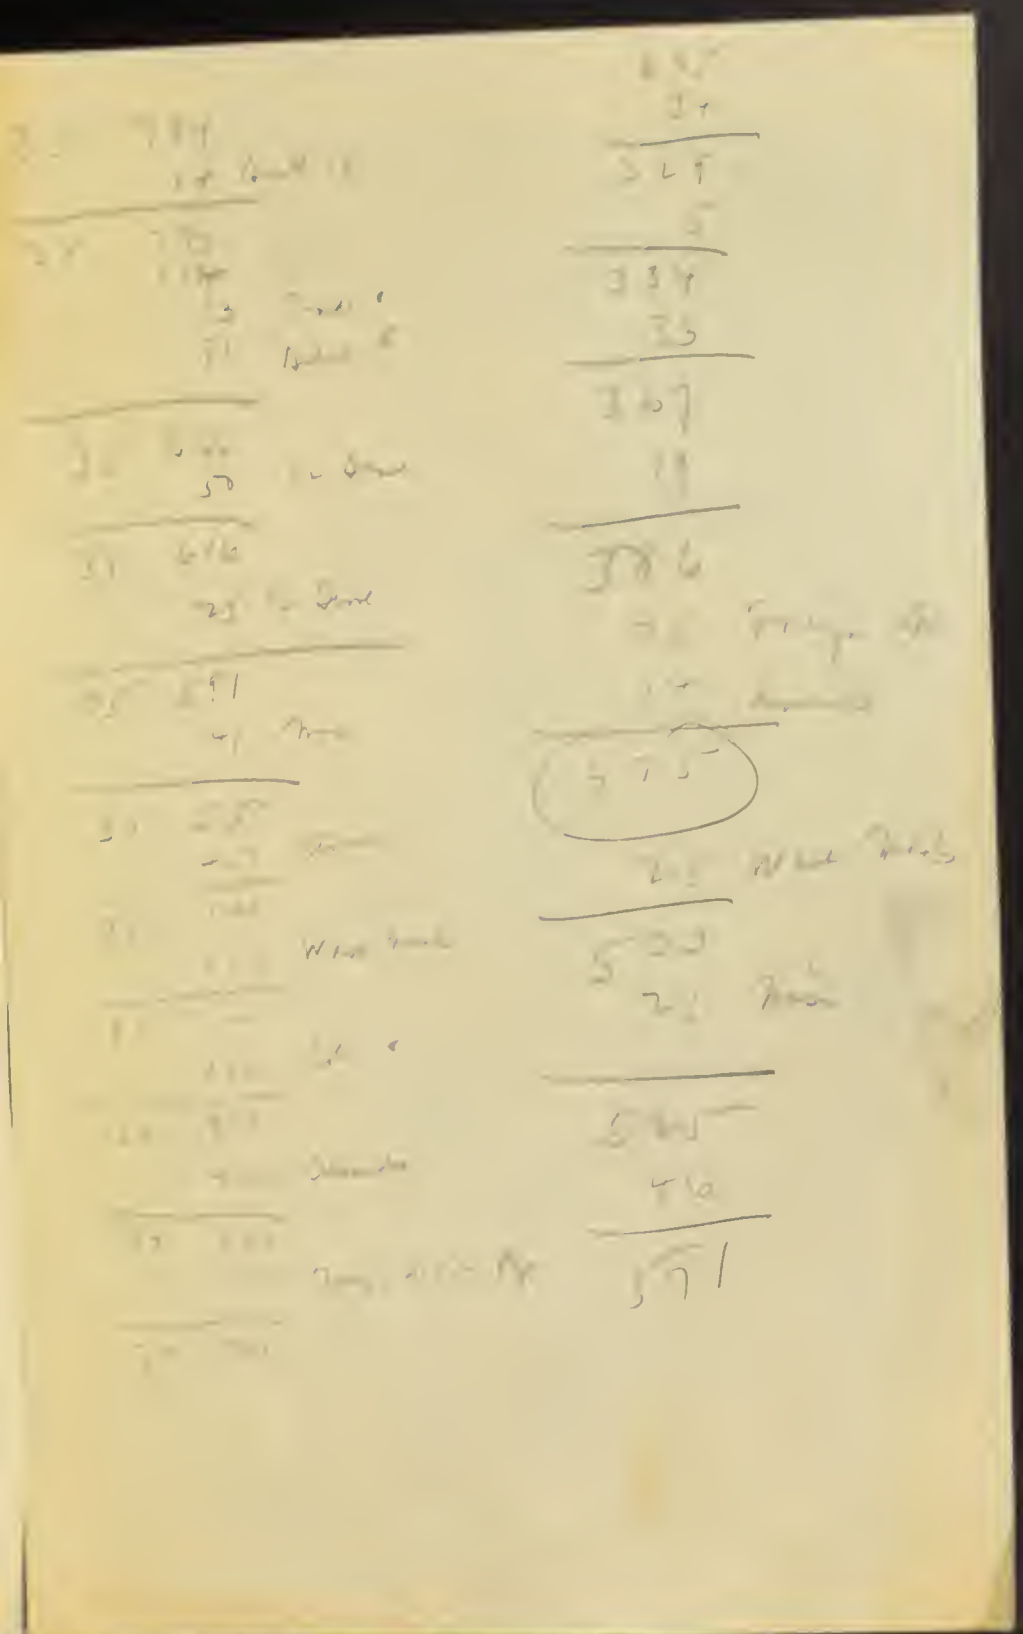
7. Lots will be on exhibition five days prior to date of auction at our salesroom, and on day of sale from 10 A.M. to 1.30 P.M. at Harmer, Rooke & Co. Inc.





We hope that nearly all collectors will find items of interest in this catalogue.

Fortunately, the material given us belonged to the popular series and would seem to appeal to a large segment of the numismatic fraternity.

You are therefore urged to examine this catalogue carefully and to bid on all coins and other items of interest.

The classifications, as always, are conservative, so that you can bid with the assurance that the lots are as described.

Lastly, this is an unrestricted auction sale, so that all the material will be sold.
